How did you hear about the Ethno-Botany Programme?

Please ensure that you submit a recent photograph with your application. Photographs can be emailed as an attachment as well as sent by post.

What happens after you submit your application:

Once your application is approved we will contact you to confirm your placement. We will then send you a pro-forma invoice. In order to confirm your placement you will need to pay the deposit fee stipulated on this invoice.

To submit your application please select one of the following options:

Email: info@crees-manu.org

Fax: +44 (0) 207 581 9977

Mail (Peru): CREES RN Programme,
Calle San Miguel 250,
Cusco,
Peru

Mail (UK): CREES RN Programme,
3 Kendrick Mews,
London,
SW7 3HG

Thank you for your application information. We look forward to contacting you shortly,

The CREES Team

Guidance Notes

Contact details

Please check that your contact details are accurate and provide an email address if possible as this makes communication much easier.

Reference

Please provide a personal reference. This might be an employer, teacher or family friend. It should not be someone from your own family. Please check with your referee to make sure they are happy to be contacted and provide their full contact details, including a phone number.

Medical details

Due to the remote location of the Manu Learning Centre and the fact that health care standards in Peru are lower than in the West, it is important that we are aware of any medical history so that we can help you to manage the risks. Please answer as fully as possible in order to give us a full picture of your medical background.

Project Availability

The CREES Scientific Coordinator controls all project schedules. Resident Naturalists who wish to participate in specific project stages should indicate this on their application so that this can be communicated to the Scientific Coordinator.

Terms & Conditions

All visitors to the MLC are required to sign a copy of our terms & conditions upon confirmation of their placement. A copy of the terms and conditions can be found on the CREES website at the following address: <http://www.crees-manu.org/termsandconditions.htm>

Running out of space?

In the event that you run out of space in any section of your application, please feel free to continue on a separate sheet of paper, clearly indicating which section you are continuing from.

If you have any questions please don't hesitate to contact us.
